8 ACCURACY OF INFORMATION

- 8.1 All information and data provided to Venture Force (including that entered on to the Website) must be provided in full and be accurate in all respects. - 8.2 If any information provided is incorrect or incomplete, Venture Force reserves the right to pass on any costs incurred as a result of updating or correcting such information.

9 CHANGES TO A BOOKING BY THE CUSTOMER

- 9.1 The Customer may only request changes to the Booking in writing (in accordance with Condition 27) to Venture Force.
- 9.2 The Customer acknowledges and agrees that any changes they request to the Booking, once the Expedition Confirmation Notice has been issued, may in some circumstances result in a cost implication for Venture Force. Venture Force will, where possible, seek to minimise such costs but reserves the right to pass on to the Customer any costs incurred as a result of such changes. Venture Force will confirm the nature of such costs (and where possible, the amount) to the Customer before such changes are made.
- 9.3 Venture Force reserves the right to refuse a request by the Customer to amend the Booking (where reasonable and appropriate). Where, either (a) the request for a change to the Booking is made within 60 days of the Departure Date or (b) in Venture Force's reasonable opinion, the requested amendment is material Venture Force may treat the request as a cancellation of the original Booking (and will be subject to cancellation charges in accordance with Condition 12).
- 9.4 If, after the Expedition Confirmation Notice has been issued and before 60 days prior to the Departure Date, the Customer wishes to make a change to the existing Booking; Venture Force will charge an amendment fee of a minimum of £25.00 per Booking for each change.
- 9.5 If the Customer wishes to change to a different Expedition, Venture Force will use reasonable endeavours to accommodate the changes (subject to availability), provided that notification is received in writing (in accordance with Condition 27) from the Customer not less than 110 days before the Departure Date (of the original Booking). In these circumstances, Venture Force will be entitled to charge an administration fee of £25.00 per person as well as any difference in cost of the Expedition (if more expensive than the original Booking) or will refund the difference less the administration fee (if less expensive than the original Booking).

10 TRANSFER OF A BOOKING OR PLACE ON A EXPEDITION

- 10.1 Venture Force may accept a request by the Customer to transfer the Booking to another person provided that:
- 10.1.1 the request is received in writing by Venture Force no less than 60 days before the Departure Date;
 - 10.1.2 the Customer returns all original travel documents provided by Venture Force to the Customer to Venture Force at the time of the request;
 - 10.1.3 the Customer provides Venture Force with the full name and address of the person to whom the Customer wishes to transfer the Booking (the **Transferee**);
 - 10.1.4 Venture Force is able to confirm to its full satisfaction that (a) the Transferee is able to participate in the Expedition and fully satisfies all conditions applied to

the Booking; (b) it has received all necessary documentation for the Transferee (including the Consent Form); and

10.1.5 the Customer reimburses Venture Force for any costs incurred in transferring the Booking (including in accordance with Condition 9.2 and payment of the administration fee in accordance with Condition 9.4).

10.2 The Customer and the Transferee will be both be liable for payment of the Price to Venture Force (on a joint and several basis).

10.3 The provisions in Condition 10.1 will also apply where the Lead Customer requests to transfer a place on the Expedition from a Participant to another person.

11 CHANGES TO A BOOKING BY VENTURE FORCE

11.1 Each Expedition is planned many months in advance and Venture Force may, from time to time, have to make changes to the Expedition. Usually such changes are minor and Venture Force reserves the right to make such changes without notifying the Customer.

11.2 In the event that a material change to the Expedition or Booking is necessary, Venture Force will advise the Customer of the change as soon as reasonably possible. Whether a change is 'material' depends on the nature of the Expedition and may include, for example, material changes in the standard of the accommodation or to travel arrangements or the Departure Date (but not for example a reasonable change to the flight time or change to accommodation of a similar standard). When a material change occurs, Venture Force will use reasonable endeavours to offer an alternative which is most suitable to the Customer and is as close as possible (for example, in standard, price or practicalities) to the original arrangements. The Customer will be offered the choice to either accept the proposed change or to accept a replacement Expedition offered by Venture Force (which again, will be of equivalent or closely similar standard and price) and Venture Force will refund the difference in price, if lower. In the event that Venture Force is unable to provide a suitable alternative to the Customer, the Customer will be entitled to cancel the Booking and receive a refund in full.

12 CANCELLATION BY THE CUSTOMER

12.1 The Customer may cancel the Booking at any time by giving notice in writing to Venture Force (in accordance with Condition 27).

12.2 The Customer acknowledges and agrees that once the Expedition Confirmation Notice is dispatched Venture Force starts to incur costs in relation to the Booking (for example, arrangement and in-country costs). The closer to the Departure Date that the Customer cancels the Booking (or any part of it) the greater the costs Venture Force will have incurred, and as such upon cancellation by the Customer Venture Force will be entitled to:

12.2.1 retain the Deposit in full (and any Additional Charges incurred as at the date of cancellation); and

12.2.2 charge the Customer the following cancellation charges:

Date of receipt by Venture Force of the notice of cancellation in writing	Charges
More than 110 days before the Departure Date	Any costs reasonably incurred by Venture Force in relation to the Booking
Less than 110 days but more than 28 days before the Departure Date	50% of the balance of the Price or the total costs Venture Force has incurred, whichever is the greater
28 days or less prior to the Departure Date	Full Price of the Booking

and the Customer and Venture Force agree that such charges are a genuine pre-estimate of Venture Force's losses in the circumstances of cancellation by the Customer.

- 12.3 Where the Lead Customer wishes to cancel in respect of one or more Participants (and suitable Transferees cannot be found in accordance with Condition 10) the provisions in Condition 12.2 will apply in respect of those Participants.

13 CANCELLATION BY VENTURE FORCE

- 13.1 Expeditions are advertised as subject to a minimum number of Customers. In the event that any Expedition fails to attain the required number of Customers by the advertised cut-off date, Venture Force reserves the right to cancel the Expedition and any Bookings. In these circumstances, Venture Force will promptly inform the Customer and (subject to Condition 13.4) refund any monies paid.
- 13.2 It may be necessary, in exceptional or unforeseen circumstances, for Venture Force to cancel or significantly change an Expedition and therefore Venture Force reserves the right to cancel a Booking in any circumstances.
- 13.3 Venture Force will use reasonable endeavours not to cancel an Expedition or Booking less than four weeks before the Departure Date, except:
- 13.3.1 in the circumstances set out in Condition 6.2; or
 - 13.3.2 due to a Force Majeure Event; or
 - 13.3.3 where following advice received from the UK Foreign and Commonwealth Office, Venture Force believes that in the interests of the safety and/or wellbeing of Customers that cancellation is reasonably necessary, or if Venture Force's insurers withdraw (or materially increase the cost of) insurance cover. Note that this may be the case for example even if there is no official advice against travel to a particular country or region.

- 13.4 In the event that Venture Force cancels an Expedition or a Booking Venture Force will use reasonable endeavours to offer an alternative expedition which is most suitable to the Customer and is as close as possible (for example, in standard, price or practicalities) to the original arrangements. The Customer will be offered the choice to accept a replacement Expedition offered by Venture Force (subject to any price differential) but in the event that Venture Force is unable to provide a suitable alternative to the Customer's satisfaction, the Customer will be entitled to cancel the Booking and receive a refund in full.
- 13.5 Venture Force strongly recommends that the Customer does not book any travel, independently of Venture Force (including but not limited to, flights whether International or connecting), that are non-refundable or non-changeable or which otherwise incur significant additional costs or penalties if the same need to be cancelled or changed. Venture Force will not be liable for any costs incurred by Customers or Participants in respect of such arrangements, even if Venture Force has cancelled the Booking.
- 13.6 In the unlikely event that Venture Force cancels an Expedition after departure, Venture Force will, wherever possible, make suitable alternative arrangements. If Venture Force is unable to make such alternative arrangements, or if the Customer reasonably rejects these for good reason then Venture Force will return the Customer and Participants to the point of departure and refund the Customer for any unused services, if appropriate.
- 13.7 In the event of cancellation in accordance with Condition 11.2, 13.1, 13.3.2 or 13.3.3, the Customer's sole remedy and Venture Force's sole liability will be a refund of sums paid (if no suitable alternative can be found). Venture Force will not under any circumstances be liable for any additional costs incidental to the Booking including but not limited to any costs or expenses incurred by the Customer in relation to accommodation or travel not booked through Venture Force, for making alternative arrangements, for the cost of visas, vaccinations or for the purchase of specific equipment or similar.

14 FLIGHTS, ATOL CERTIFICATES AND STANDARDS

- 14.1 Where Expeditions include flights, all flights are booked with ATOL registered and compliant companies, giving a high level of financial security to Customers. In these circumstances, Customers will receive an ATOL Certificate.
- 14.2 Flights are typically arranged six months prior to departure, for the whole team(s) travelling, subject to the Customer having paid the Deposits plus any other payments required to at least match the cost of the flights at the time of booking. Once booked the costs and conditions of the flights follow that of the carrier used.
- 14.3 Customers should review the ATOL Certificate to understand what is financially protected, where Customers can get information on what it means for them and who to contact if things go wrong.
- 14.4 Venture Force, or the suppliers identified on the ATOL Certificate, will provide the Customer with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither Venture Force nor the supplier identified on the ATOL Certificate are able to

do so for reasons of insolvency, an alternative ATOL holder may provide the Customer with the services the Customer has purchased or a suitable alternative (at no extra cost to the Customer). The Customer agrees to accept that in those circumstances the alternative ATOL holder will perform those obligations and the Customer agrees to pay any money outstanding to be paid by the Customer under the Customer's contract to that alternative ATOL holder. However, the Customer also agrees that in some cases it will not be possible to appoint an alternative ATOL holder, in which case the Customer will be entitled to make a claim under the ATOL scheme.

- 14.5 If Venture Force, or the suppliers identified on the ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) the Customer under the ATOL scheme. The Customer agrees that in return for such a payment or benefit the Customer assigns absolutely to those Trustees any claims which the Customer has or may have arising out of or relating to the non-provision of the services, including any claim against Venture Force, (or the Customer's credit card issuer where applicable). The Customer also agrees that any such claims may be re-assigned to another body, if that other body has paid sums the Customer have claimed under the ATOL scheme.
- 14.6 Venture Force complies with the requirements contained in the Package Travel, Package Holidays and Package Tours Regulations 1992 and British Standard 8848:2014.

15 NATURE OF EXPEDITIONS

- 15.1 Venture Force will provide its services under the Contract with reasonable skill and care and in accordance with accepted industry practices. Where Venture Force uses other suppliers or contractors to provide any of the services under the Contract, Venture Force will, where practicable, use its reasonable endeavours to ensure that they provide such services with reasonable skill and care.
- 15.2 Subject to Condition 15.1, Venture Force gives no guarantees or warranties regarding an Expedition. In particular, by making a Booking the Customer expressly understands and agrees that the nature of the expeditions offered by Venture Force are such that:
- 15.2.1 they are often in regions where the standards of accommodation, transport, safety, hygiene, medical facilities and other infrastructure may, at times, be lower than those the Participants would normally expect;
 - 15.2.2 accommodation is likely to be basic (but clean) tea houses, hostels or hotels (usually 2 or 3 star), all on a bed-and-breakfast basis;
 - 15.2.3 some Expeditions also necessitate the use of tented accommodation that is supplied in country by Venture Force which normally comprise two person tents for ease of transportation;

- 15.2.4 Customer and Participants are expected to share accommodation (rooms or tents), where necessary;
- 15.2.5 although during Expeditions (treks) some equipment may be transported on to the next destination, Customers and Participants should be prepared to carry their personal rucksack (weighing no more than 15kgs);
- 15.2.6 there are hazards involved in the Expedition, including (without limitation) injury, disease, loss or damage to property, inconvenience and discomfort; and
- 15.2.7 this type of travel is one that allows alternatives and a substantial degree of on-trip flexibility, so outline itineraries given for each Expedition must be taken as an indication of what each group might accomplish, and not as a contractual obligation on the part of Venture Force. Changes in itinerary may be necessary due to local political conditions, flight cancellations, mechanical breakdown, weather, border restrictions, sickness, or other unforeseeable circumstances or Force Majeure Events. Pro rata refunds will be given for services not utilised wherever possible.

16 COMPENSATION AND LIABILITY

- 16.1 Subject to Conditions 16.2 to 16.4, Venture Force's liability for loss or damage incurred by the Customer as a result of Venture Force being in breach of these Conditions is strictly limited to a sum equivalent to the total value of the Price.
- 16.2 Subject to Condition 16.3, Venture Force will not be liable for any claim to the extent that it relates to: (i) loss of profits; (ii) loss of or damage to data; (iii) loss of enjoyment or opportunity; (iv) loss of or damage to property and/or similar losses, (v) loss of anticipated savings, injury to reputation, any third party losses or (vi) any special, indirect, consequential or pure economic loss, costs, damages, charges or expenses howsoever arising and regardless of whether Venture Force knew or had reason to know of the possibility of the loss or damage in question.
- 16.3 Nothing in these Conditions attempts to exclude or limit Venture Force's liability for death or personal injury caused by its negligence, fraud or fraudulent misrepresentation or for other liability that cannot be excluded or limited by English Law.
- 16.4 Venture Force's liability for any loss or damage incurred by the Customer in relation to services provided by third parties (including but not limited to travel) in all cases will be limited in accordance with the contractual terms of the third parties that provide the services. These terms are incorporated into the Contract and Venture Force will provide copies on request. The Customer must inform Venture Force if it receives any compensation or sums from third parties in relation to the Expedition or Booking and any such sums may be deducted from any sums due to the Customer from Venture Force.
- 16.5 Venture Force has no liability where the cause of the failure to provide, or failure in, the Expedition is due to the Customer's or Participant's fault, the fault of a third party

unconnected with Expedition and is unforeseeable or unavoidable, or is due to a Force Majeure Event, or an event which neither Venture Force, or its agents or suppliers could have foreseen or forestalled.

- 16.6 If any international conventions apply to, or govern, any of the services or facilities included in the Expedition Venture Force's liability (and/or the amount (if any) of compensation payable) will be limited in accordance with and/or in an identical manner to that provided for by the international convention concerned (in each case including in respect of the conditions of liability, the time for bringing any claim and the type and amount of any damages that can be awarded). International Conventions which may apply include: in respect of international air travel, the Warsaw Convention 1929 (including as amended by the Hague Protocol of 1955 and by any of the additional Montreal Protocol of 1975) or the Montreal Convention 1999; in respect of rail travel, the Berne Convention 1961; in respect of carriage by sea, the Athens Convention 1974; in respect of carriage by road, the Geneva Convention 1973; and, in respect of hotels, the Paris Convention 1962. Copies of the relevant conventions are available on request. For the avoidance of doubt, this means that Venture Force is to be regarded as having all benefit of any limitations of compensation contained in any of these Conventions or any other international conventions applicable to the Expedition.
- 16.7 Venture Force's responsibility does not commence until the appointed time that the Expedition commences within the country designated, and Venture Force shall not be responsible for any additional expenses incurred by the Customer or any Participant to meet up with the group. If the group arrival is delayed to the local joining point Venture Force will provide the Customer and/or the Participants with the same room and board basis as will be provided to the group. If the delay is for more than 24 hours Venture Force will provide the Customer or any Participant with the same services and itinerary that were detailed on the Expedition Confirmation Notice to enable the Customer or any Participant to continue with the Expedition, although the Customer or any Participant may, at their discretion, remain at the local joining point for the arrival of the group.

17 DATA PROTECTION

- 17.1 Venture Force's Data Protection Policy sets out what information Venture Force collects, how it collects it, and what it does with it. The data collected by Venture Force will include such details as the Customer's name, contact information, travel preferences and special needs/disabilities/dietary requirements all of which the Customer supplies to Venture Force, including any information about other Participants on the Booking relating to the same. Such information is collected from the Customer when they request information from Venture Force, contact Venture Force (and vice versa) or make a Booking. The Lead Customer is responsible for ensuring that Participants are aware of the content of Venture Force's Data Protection Policy and consent to the Customer acting on their behalf in all the Customer's dealings with Venture Force.
- 17.2 Venture Force updates information whenever it gets the opportunity to keep it current, accurate and complete. In some travel circumstances it may be necessary to disclose the Customer's information for immigration, security and/or anti-terrorism purposes, or any other

purposes which the relevant authorities determine appropriate. Venture Force may exercise its discretion to assist where appropriate. Some of the Customer's information (such as health or religion) may be considered "sensitive personal data" under the Data Protection Act 1998. Venture Force collects it to cater for the Customer's needs or to act in the Customer's interests, and Venture Force is only prepared to accept sensitive personal data from the Customer on the condition that it has the Customer's positive consent.

- 17.3 By Booking with Venture Force the Customer also agrees that their insurers, agents and medical staff may disclose relevant information (which may contain sensitive personal data) to Venture Force in circumstances where it needs to act in the interest of everyone in the group. For example, if a Participant contracts an illness during an Expedition which is infectious Venture Force may need to make special arrangements for the Participant and also ensure that they do not return with the group immediately. If the Customer does not agree to Venture Force's use of information as above, Venture Force cannot accept the Booking.
- 17.4 Venture Force shall treat any information relating to the Customer as confidential except to the extent that such information can be proved to be within the public domain at the time of disclosure other than as a result of any breach of the Contract. Venture Force shall not disclose such information to any third party nor use it for any purpose except as is strictly necessary for the performance of the Contract or for emergency medical or legal purposes.

18 FURTHER INFORMATION

Venture Force would like to contact the Customer with information on offers, brochures, new products and forthcoming events. Please note that when the Customer contacts Venture Force on the Website Venture Force will assume that they agree to e-communications when the Customer makes a Booking. If the Customer no longer wishes to receive any of the information that Venture Force may send the Customer must inform Venture Force accordingly. The Customer has the right to ask in writing for a copy of the information Venture Force holds about the Customer (for which Venture Force may charge a fee) and to correct any inaccuracies in the information.

19 TRAVEL INSURANCE

- 19.1 All Expeditions include appropriate travel, rescue and repatriation insurance cover for Customers. Details of the insurance cover will be provided to the Customer prior to the Departure Date.
