EXPEDITION CONTENT

As all our expeditions are bespoke, the content outlined below gives you an idea of the kind of activities you include in your expedition. These are by no means the only activities we could offer however these reflect the cost outlined above.

HORSE TREKKING

Horseback travel is in the blood of the Mongolian people. The horse is their friend and is an integral part of their lives. The plains and mountains of Mongolia are ideal for horse-trekking and, accompanied by local guides and your Venture Force Leaders, you will take to the saddle and see some of this amazing country. Camp overnight with a campfire and stories from the locals!

WILDERNESS TREKKING

Trekking by foot is a fantastic way to see the country and to develop your team work, confidence and leadership skills. You will travel through some of Mongolia's most remote countryside experiencing the remoteness and beauty of this country. Teams will be required to plan the trek themselves with the guidance of our Venture Force Leaders and in-country agent, arranging camp locations, food supplies, routes and distances.

COMMUNITY PROJECT

The community project will be arranged as a bespoke part of the expedition in collaboration with the school team, our in-country agent and the Venture Force office team. Whatever is decided, it will be both worthwhile for our teams and the host community. We ensure that our projects are sustainable and last beyond the expedition; we never deliver just a lick of paint and a smile!

Your project could range from helping remote Mongolian communities with construction to teaching in local schools. Whatever the project, we will ensure that your team gets the opportunity to immerse themselves in the community and culture.

CULTURAL EXPERIENCE AND SIGHT SEEING

Travelling to China to commence the expedition puts you in a fantastic location to visit some historic wonders including the Terracotta Warriors, the Great Wall of China and the Forbidden City. You will then take the Trans-Mongolian rail link to Ulaanbaatar – a remarkable journey and the stuff of adventures. Whilst in Mongolia you will get the opportunity to visit local settlements to experience the Mongol way of life and time of year permitting, you will get the chance to go to the famous Naadam Festival.
