\*A Venture Force expedition will comprise of a maximum of 10 clients supported by two Venture Force leaders (plus local porters and guides). However, where the number of clients falls below 6, we will discuss the possibility of providing a single Venture Leader with the team. Venture Force reserve the right to cancel the expedition due to a lack of clients or for safety reasons. If this is the case, you will be refunded in full (including deposit). Venture Force will keep you informed of any changes to the expedition and the final confirmation of the expedition status will be provided by the 31<sup>st</sup> July 2018.
