EVEREST BASE CAMP: CHARITABLE EXPEDITIONS

CHARITABLE EXPEDITION

Our Everest Base Camp expedition is ideally suited equally to clients/teams who want to raise money for their chosen Charity, as well as those just wanting to trek to Everest Base Camp.

There is a base cost to any expedition and has to be paid to Venture Force. We are clear in our pricing - you pay the £2,500 and any additional funds you can donate to the charity of your choice.

It is important to note that a large proportion of the money you pay to Venture Force as part of the base costs goes towards paying local porters and guides, providing our porters and guides with warm clothing, supporting local tea houses on the trekking route and paying freelance leaders to do what they do best; keep you safe and ensure you have a fantastic expedition! We run our expeditions ethically, however if you wish to raise additional money for another cause then we would be delighted to support you in doing so!

THE VENTURE FORCE FOUNDATION

Clients may consider raising funds for the VENTURE FORCE FOUNDATION (Registered charity number 1152431). If you choose to raise funds for the Venture Force Foundation £2,500 should be paid to Venture Force Ltd in the normal way. Any additional funds raised should be made to the VF Foundation through the "just giving" page on their web site. Any donations made to the foundation are eligible for gift aid, if you are a UK Tax payer you may consider using Gift Aid to boost your donation for your Charity.

The Venture Force Foundation is set up to ensure that funds donated go straight to the projects specified. For further information please consult the Venture Force Foundation website www.vffoundation.co.uk.
